

ALL WEST DENTAL SUPPORTS CURLING IN LETHBRIDGE

The Lethbridge Super League curling league is receiving a breath of fresh air for the 2008/2009 curling season as All West Dental has teamed up with Wilbur-Ellis Co of Canada to sponsor and manage the Lethbridge Super League. The Super League has become a staple of curling clubs across the country, offering a high level, competitive curling atmosphere which has become the launch pad for teams seeking provincial and national curling titles. The initiative has received a very positive response from current and potential future teams wanting to keep the Super League alive in Lethbridge! With the support of the curling community this venture promises to be a long term relationship between All West Dental and Curling in Lethbridge!

If you or your business is interested in helping support the Super League through advertising during our ice times, please contact Mike Mulroy at 403-394-5250.
